Sandra,

Jay's cover letter refers to a chemical inventory for Platform Gilda – do you get that in NetDMR? I didn't get it.

Thanks

Dear Ms. Sandra Chew and Mr. Eugene Bromley,  
Good Morning. Attached please find the cover letter and lab reports (Dec, 2015 thru Feb, 2016) for Platform Gina. These reports were uploaded, as part of NetDMR, on 3/28/2016 into EPA's portal. Because of the size of the attached files being too large, I would be sending the Lab reports for Gilda and Edith by two separate emails. If you have any question or need anything further, please let me know.

Best Regards,

Jay Rao
